**Kherson State University (KSU, <http://www.ksu.ks.ua/>)** is a versatile scientific, educational, and cultural centre in the South of Ukraine. It offers full day, extra-mural, external study programs attended by 8,000 students from 23 regions of Ukraine and CIS countries. Its research and teaching staff comprises 18 members of the Ukrainian and foreign Academies of Science, 68 professors, 234 senior lecturers. About 1,000 students are enrolled to its advanced degree programs at Ph.D and Dr.Sci levels.

**Oleksandr Spivakovsky's Educational Foundation (OSEF, <http://spivakovsky.fund/>)** aims to support gifted young people, outstanding educators, and those who wish to start up their own business. OSEF activity is focused on the support and further development of educational, scientific, cultural, social, and intellectual spheres in the Kherson Region of Ukraine.

**BWT Group (<http://www.groupbwt.com/>)** are those who do coding all day and night long. For you. In fact we can do anything. The work we do, and how we do it, is defined in large part by the culture we have developed. We seek to build an organization that every one of us enjoys being a part of, where people feel valued, inspired to grow, and are willing to do what is necessary to take care of each other and our client.

**DataArt (<http://dataart.com/>)** develops industry-defining applications, helping clients optimize time-to-market and minimize software development risks in mission-critical systems. Domain knowledge, offshore cost advantages, and efficiency – that is what makes DataArt a partner of choice for their global clients.
