Posters and Demonstrations Track

Posters and Demonstrations Track at ICTERI offers an opportunity for conference participants from academia and industry to present and discuss both theoretical aspects and practical applications of their research. We strongly encourage the submissions by advanced students and industry professionals. Posters and demonstrations may include but are not limited to software demonstration, interactive models, real-time visualizations, novel technology applications. Live action and interaction with the audience are critical elements for the Track.

This track will be organized in a way to stimulate extensive exchange of ideas and showcases. Both presenters and participants will have a unique opportunity to be interactively engaged in discussions, hands-on trials and testing.

The Scope of Posters and Demonstrations

The topics for Posters and Demonstrations include all the ICTERI topics of interest:

- Track 1: Advances in ICT Research
- Track 2: Information Systems: Technology and Applications
- Track 3: Academia/Industry ICT Cooperation
- Track 4: ICT in Education

The details are outlined at <http://icteri.org/icteri-2021/main-conference-tracks/>.

Posters and Demonstrations track primary focuses on experimental and applied research and development projects.

Submission Guidelines

The language of the Track at ICTERI is English. Submissions in any other language will be rejected without review. Presentations in any other language are also not accepted.

Posters are concise presentations of early-stage research in the form of a short paper. These papers outline preliminary ideas, concepts, and initial results shaping out the future work.

Page limit: 10-12 LNCS pages.

We expect poster presenters, if their submissions are accepted, to prepare a poster of A1 paper size in portrait layout (841x1189mm) that describes your research problem, solutions and important results in a visually appealing format. For demonstrations, presenters may use their own equipment or inquire organizers on the availability of the required equipment. For review, please do not submit a large-format poster image or presentation, but only the paper describing in text what the poster/demonstration will present.

All submissions shall be annotated by the key words/phrases freely chosen by the authors. At least three and at most five key phrases have to be provided.

All submissions must comply with the [Springer CCIS format guidelines. Formatting instructions and template](#) as well as submission guidelines are provided for your convenience at the ICTERI 2021 web site: <http://icteri.org/icteri-2021/>

Submissions must be made in .pdf format by using Easy Chair Conference Management System:

<https://easychair.org/my/conference?conf=icteri2021>

To do this, you need to select the option "Poster and Demo Track" and click the button "Continue" on the initial submission page.

More details on the **requirements** to a poster/demo paper and the **way to preset one** at the conference are provided in the **Paper Types** page at the ICTERI 2021 web site: <http://icteri.org/icteri-2021/submission-types/>.

Evaluation and Publication

Please check the **Previous ICTERI Conferences** page at the ICTERI 2021 web site (<http://icteri.org/icteri-2021/previous-icteri-conferences/>) to access the proceedings and post-proceedings volumes published by the previous conferences.

Presentation

Accepted posters **must be presented at the conference** by one of their authors, who commit to register and attend the conference. The Poster/Demo Chair reserves the right to withdraw from the proceedings those papers, which have not been presented at the conference.
